Chapter person in the course of a purely personal or household activity. A controller or processor that complies with the verifiable parental Effect of Compliance consent requirements of the Children's Online Privacy Protection Act of With Parental Consent 1998 (15 U.S.C. Section 6501 et seq.) with respect to data collected 541.005 N/A N/A N/A No applicable SCF control Functional no relationship No requirements to map to. Requirements Under online is considered to be in compliance with any requirement to obtain Certain Federal Law parental consent under this chapter. Mechanisms exist to provide authenticated data subjects the ability (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data A consumer is entitled to exercise the consumer rights authorized by this subject through granting access; section at any time by submitting a request to a controller specifying the (2) Obtain answers on the specifics of how their PD is collected, Consumer's Personal consumer rights the consumer wishes to exercise. With respect to the Data Subject received, processed, stored, transmitted, shared, updated and 541.051(a) Data Rights; Request To 5 intersects with processing of personal data belonging to a known child, a parent or legal Empowerment Exercise Rights guardian of the child may exercise the consumer rights on behalf of the (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, Consumer's Personal A controller shall comply with an authenticated consumer request to 541.051(b) Data Rights; Request To Functional no relationship N/A No applicable SCF control N/A No requirements to map to. exercise the right to: Exercise Rights Mechanisms exist to maintain a process to efficiently and effectively Consumer's Personal espond to complaints, concerns or questions from authenticated confirm whether a controller is processing the consumer's personal data User Feedback 541.051(b)(1) Data Rights; Request To Functional 5 intersects with data subjects about how the organization collects, receives, and to access the personal data; Management Exercise Rights processes, stores, transmits, shares, updates and/or disposes of their Mechanisms exist to establish and implement a process for: correct inaccuracies in the consumer's personal data, taking into account Consumer's Personal (1) Data subjects to have inaccurate Personal Data (PD) maintained Correcting Inaccurate 541.051(b)(2) PRI-06.1 5 Data Rights; Request To the nature of the personal data and the purposes of the processing of the Functional intersects with by the organization corrected or amended; and Personal Data Exercise Rights consumer's personal data; (2) Disseminating corrections or amendments of PD to other authorized users of the PD. Mechanisms exist to maintain a process to erase a data subject's Consumer's Personal Personal Data (PD), in accordance with applicable laws, regulations 541.051(b)(3) Data Rights; Request To | delete personal data provided by or obtained about the consumer; intersects with Right to Erasure PRI-06.5 5 and contractual obligations pertaining to the retention of their PD. Exercise Rights if the data is available in a digital format, obtain a copy of the consumer's Mechanisms exist to export a data subject's available Personal Data personal data that the consumer previously provided to the controller in a Consumer's Personal (PD) in a readily usable format, upon an authenticated request. Personal Data (PD) 541.051(b)(4) intersects with PRI-06.7 5 Data Rights; Request To portable and, to the extent technically feasible, readily usable format that Functional Exports Exercise Rights allows the consumer to transmit the data to another controller without hindrance; or Consumer's Personal 541.051(b)(5) Data Rights; Request To opt out of the processing of the personal data for purposes of: Functional no relationship N/A N/A No applicable SCF control N/A No requirements to map to. Exercise Rights Consumer's Personal Mechanisms exist to compel data subjects to select the level of Active Participation By 5 541.051(b)(5)(A) Data Rights; Request To targeted advertising; Functional intersects with PRI-03.7 consent deemed appropriate by the data subject for the relevant Data Subjects Exercise Rights usiness purpose (e.g., opt-in, opt-out, accept all cookies, etc.). Consumer's Personal Mechanisms exist to compel data subjects to select the level of Active Participation By 541.051(b)(5)(B) Functional 5 Data Rights; Request To the sale of personal data; or ntersects with consent deemed appropriate by the data subject for the relevant Data Subjects Exercise Rights business purpose (e.g., opt-in, opt-out, accept all cookies, etc.). Consumer's Personal Mechanisms exist to compel data subjects to select the level of profiling in furtherance of a decision that produces a legal or similarly Active Participation By 541.051(b)(5)(C) 5 Data Rights; Request To Functional ntersects with consent deemed appropriate by the data subject for the relevant significant effect concerning the consumer. **Data Subjects** Exercise Rights ousiness purpose (e.g., opt-in, opt-out, accept all cookies, etc.). Mechanisms exist to govern the continued use of Personal Data (PD) as it is collected, received, processed, stored, transmitted and/or Except as otherwise provided by this chapter, a controller shall comply (1) Disposal of PD occurs when there is no longer a legitimate Controller Response to Continued Use of 541.052(a) with a request submitted by a consumer to exercise the consumer's rights intersects with Functional business purpose; Consumer Request Personal Data (PD) pursuant to Section 541.051 as provided by this section. (2) Disposal of PD occurs when the data retention timeline for the use case is met; and/or (3) Continued use of PD is prohibited upon withdrawal of data subject Mechanisms exist to maintain a process to efficiently and effectively A controller shall respond to the consumer request without undue delay, respond to complaints, concerns or questions from authenticated which may not be later than the 45th day after the date of receipt of the data subjects about how the organization collects, receives, request. The controller may extend the response period once by an Controller Response to User Feedback processes, stores, transmits, shares, updates and/or disposes of their 541.052(b) additional 45 days when reasonably necessary, taking into account the Functional intersects with PRI-06.4 Consumer Request Management Personal Data (PD). complexity and number of the consumer's requests, so long as the controller informs the consumer of the extension within the initial 45-day response period, together with the reason for the extension. Mechanisms exist to maintain a process to efficiently and effectively If a controller declines to take action regarding the consumer's request, respond to complaints, concerns or questions from authenticated the controller shall inform the consumer without undue delay, which may User Feedback Controller Response to data subjects about how the organization collects, receives, 541.052(c) not be later than the 45th day after the date of receipt of the request, of intersects with PRI-06.4 5 Consumer Request Management processes, stores, transmits, shares, updates and/or disposes of their the justification for declining to take action and provide instructions on Personal Data (PD). how to appeal the decision in accordance with Section 541.053. A controller shall provide information in response to a consumer request Mechanisms exist to maintain a process to efficiently and effectively free of charge, at least twice annually per consumer. If a request from a respond to complaints, concerns or questions from authenticated consumer is manifestly unfounded, excessive, or repetitive, the controller data subjects about how the organization collects, receives, User Feedback Controller Response to may charge the consumer a reasonable fee to cover the administrative processes, stores, transmits, shares, updates and/or disposes of their PRI-06.4 541.052(d) Functional intersects with Consumer Request costs of complying with the request or may decline to act on the request. Management Personal Data (PD). The controller bears the burden of demonstrating for purposes of this subsection that a request is manifestly unfounded, excessive, or If a controller is unable to authenticate the request using commercially Mechanisms exist to reject unauthenticated, or untrustworthy, Reject Unauthenticated reasonable efforts, the controller is not required to comply with a disclosure requests. Controller Response to 541.052(e) Functional ntersects with or Untrustworthy PRI-07.4 5 consumer request submitted under Section 541.051 and may request that Consumer Request Disclosure Requests the consumer provide additional information reasonably necessary to authenticate the consumer and the consumer's request A controller that has obtained personal data about a consumer from a Controller Response to source other than the consumer is considered in compliance with a 541.052(f) N/A Functional no relationship N/A No applicable SCF control N/A No requirements to map to. Consumer Request consumer's request to delete that personal data pursuant to Section Mechanisms exist to document Personal Data (PD) processing retaining a record of the deletion request and the minimum data activities that cover collecting, receiving, processing, storing, necessary for the purpose of ensuring the consumer's personal data **Documenting Data** Controller Response to 541.052(f)(1) Functional 10 subset of transmitting, updating, sharing and disposal actions with sufficient Consumer Request remains deleted from the business's records and not using the retained Processing Activities detail to demonstrate conformity with applicable statutory, regulatory data for any other purpose under this chapter; or and contractual requirements. opting the consumer out of the processing of that personal data for any Mechanisms exist to compel data subjects to select the level of Active Participation By Controller Response to 541.052(f)(2) Functional PRI-03.7 5 purpose other than a purpose that is exempt under the provisions of this intersects with consent deemed appropriate by the data subject for the relevant Consumer Request Data Subjects ousiness purpose (e.g., opt-in, opt-out, accept all cookies, etc.). Mechanisms exist to restrict the usage of Personal Data (PD) to opting the consumer out of the processing of that personal data for any Use of Personal Data Controller Response to purposes for which it was: purpose other than a purpose that is exempt under the provisions of this PRI-05.9 541.052(f)(2) 5 Functional intersects with Consumer Request (PD) (1) Originally collected; and/or (2) Authorized by the data subject, or authorized agent. A controller shall establish a process for a consumer to appeal the Mechanisms exist to maintain a process for data subjects to appeal controller's refusal to take action on a request within a reasonable period Appeal Adverse an adverse decision 541.053(a) Functional intersects with PRI-06.3 5 Appeal of time after the consumer's receipt of the decision under Section Decision 541.052(c).

Secure Controls Framework (SCF) 1 of 8

FDE#	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF#	Secure Controls Framework (SCF) Control Description	Strength of Relationship (optional)	Notes (optional)
541.053(a)	Appeal	A controller shall establish a process for a consumer to appeal the controller's refusal to take action on a request within a reasonable period of time after the consumer's receipt of the decision under Section 541.052(c).	Functional	intersects with	Data Controller Communications	PRI-18	Mechanisms exist to receive and process data controller communications pertaining to: (1) Receiving and responding to data subject requests; (2) Updating/correcting Personal Data (PD); (3) Accounting for disclosures of PD; and (4) Accounting for PD that is stored, processed and/or transmitted on behalf of the data controller.	5	
541.053(b)	Appeal	The appeal process must be conspicuously available and similar to the process for initiating action to exercise consumer rights by submitting a request under Section 541.051.	Functional	intersects with	Data Privacy Notice		Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.053(c)	Appeal	A controller shall inform the consumer in writing of any action taken or not taken in response to an appeal under this section not later than the 60th day after the date of receipt of the appeal, including a written explanation of the reason or reasons for the decision.	Functional	intersects with	User Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD).	5	
541.053(d)	Appeal Waiver or Limitation of	If the controller denies an appeal, the controller shall provide the consumer with the online mechanism described by Section 541.152 through which the consumer may contact the attorney general to submit a complaint.	Functional	intersects with	User Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD).	5	
541.054	Consumer Rights Prohibited	Any provision of a contract or agreement that waives or limits in any way a consumer right described by Sections 541.051, 541.052, and 541.053 is contrary to public policy and is void and unenforceable.	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.055(a)	Methods for Submitting Consumer Requests	A controller shall establish two or more secure and reliable methods to enable consumers to submit a request to exercise their consumer rights under this chapter. The methods must take into account:	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.055(a)(1)	Methods for Submitting Consumer Requests		Functional	intersects with	Data Subject Empowerment	PRI-06	Mechanisms exist to provide authenticated data subjects the ability to: (1) Access their Personal Data (PD) that is being processed, stored and shared, except where the burden, risk or expense of providing access would be disproportionate to the benefit offered to the data subject through granting access; (2) Obtain answers on the specifics of how their PD is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Obtain the source(s) of their PD; (4) Obtain the categories of their PD being collected, received, processed, stored and shared; (5) Request correction to their PD due to inaccuracies; (6) Request erasure of their PD; and (7) Restrict the further collecting, receiving, processing, storing, transmitting undated and/or sharing of their PD	5	
541.055(a)(1)	Methods for Submitting Consumer Requests	the ways in which consumers normally interact with the controller;	Functional	intersects with	Data Controller Communications	PRI-18	Mechanisms exist to receive and process data controller communications pertaining to: (1) Receiving and responding to data subject requests; (2) Updating/correcting Personal Data (PD); (3) Accounting for disclosures of PD; and (4) Accounting for PD that is stored, processed and/or transmitted on	5	
541.055(a)(2)	1	the necessity for secure and reliable communications of those requests; and	Functional	intersects with	User Feedback Management	PRI-06.4	behalf of the data controller. Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD).	5	
541.055(a)(3)	Consumer Requests	the ability of the controller to authenticate the identity of the consumer making the request.	Functional	intersects with	User Feedback Management	PRI-06.4	Mechanisms exist to maintain a process to efficiently and effectively respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD).	5	
541.055(a)(3)	_	the ability of the controller to authenticate the identity of the consumer making the request.	Functional	intersects with	Strong Customer Authentication (SCA)	WEB-06	Mechanisms exist to implement Strong Customer Authentication (SCA) for consumers to reasonably prove their identity. Mechanisms exist to maintain a process to efficiently and effectively	5	
541.055(b)	Methods for Submitting Consumer Requests Methods for Submitting	A controller may not require a consumer to create a new account to exercise the consumer's rights under this subchapter but may require a consumer to use an existing account. Except as provided by Subsection (d), if the controller maintains an Internet website, the controller must provide a mechanism on the website	Functional	intersects with	User Feedback Management		respond to complaints, concerns or questions from authenticated data subjects about how the organization collects, receives, processes, stores, transmits, shares, updates and/or disposes of their Personal Data (PD). Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by		
541.055(c)	Consumer Requests	for consumers to submit requests for information required to be disclosed under this chapter.	Functional	intersects with	Data Privacy Notice	PRI-02	applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements. Mechanisms exist to:	5	
541.055(d)	Methods for Submitting Consumer Requests	A controller that operates exclusively online and has a direct relationship with a consumer from whom the controller collects personal information is only required to provide an e-mail address for the submission of requests described by Subsection (c).	Functional	intersects with	Data Privacy Notice		(1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	

FDE#	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF#	Secure Controls Framework (SCF) Control Description	Strength of Relationship (optional)	Notes (optional)
541.055(e)	Methods for Submitting Consumer Requests	A consumer may designate another person to serve as the consumer's authorized agent and act on the consumer's behalf to opt out of the processing of the consumer's personal data under Sections 541.051(b)(5)(A) and (B). A consumer may designate an authorized agent using a technology, including a link to an Internet website, an Internet browser setting or extension, or a global setting on an electronic device, that allows the consumer to indicate the consumer's intent to opt out of the processing. A controller shall comply with an opt-out request received from an authorized agent under this subsection if the controller is able to verify, with commercially reasonable effort, the identity of the consumer and the authorized agent's authority to act on the consumer's behalf. A controller is not required to comply with an opt-out request received from an authorized agent under this subsection if:	Functional	intersects with	Authorized Agent	PRI-03.6	Mechanisms exist to allow data subjects to authorize another person or entity, acting on the data subject's behalf, to make Personal Data (PD) processing decisions.	5	
541.055(e)(1)	_	the authorized agent does not communicate the request to the controller in a clear and unambiguous manner;	Functional	intersects with	Authorized Agent	PRI-03.6	Mechanisms exist to allow data subjects to authorize another person or entity, acting on the data subject's behalf, to make Personal Data (PD) processing decisions.	5	
541.055(e)(2)	_	the controller is not able to verify, with commercially reasonable effort, that the consumer is a resident of this state;	Functional	intersects with	Authorized Agent	PRI-03.6	Mechanisms exist to allow data subjects to authorize another person or entity, acting on the data subject's behalf, to make Personal Data (PD) processing decisions.	5	
541.055(e)(3)	Methods for Submitting Consumer Requests	the controller does not possess the ability to process the request; or	Functional	intersects with	Authorized Agent	PRI-03.6	Mechanisms exist to allow data subjects to authorize another person or entity, acting on the data subject's behalf, to make Personal Data (PD) processing decisions.	5	
541.055(e)(4)	Consumer Requests	the controller does not process similar or identical requests the controller receives from consumers for the purpose of complying with similar or identical laws or regulations of another state.	Functional	intersects with	Authorized Agent	PRI-03.6	Mechanisms exist to allow data subjects to authorize another person or entity, acting on the data subject's behalf, to make Personal Data (PD) processing decisions.	5	
541.055(f)	Methods for Submitting Consumer Requests	A technology described by Subsection (e):	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.055(f)(1)		may not unfairly disadvantage another controller; may not make use of a default setting, but must require the consumer to	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.055(f)(2)	Consumer Requests	make an affirmative, freely given, and unambiguous choice to indicate the consumer's intent to opt out of any processing of a consumer's personal data; and	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.055(f)(3) 541.101(a)	Methods for Submitting Consumer Requests Controller Duties; Transparency	must be consumer-friendly and easy to use by the average consumer. A controller:	Functional Functional	no relationship	N/A N/A	N/A N/A	No applicable SCF control No applicable SCF control	N/A N/A	No requirements to map to. No requirements to map to.
541.101(a)(1)	Controller Duties;	shall limit the collection of personal data to what is adequate, relevant, and reasonably necessary in relation to the purposes for which that personal data is processed, as disclosed to the consumer; and	Functional	intersects with	Restrict Collection To Identified Purpose	PRI-04	Mechanisms exist to minimize the collection of Personal Data (PD) to only what is adequate, relevant and limited to the purposes identified in the data privacy notice, including protections against collecting PD from minors without appropriate parental or legal guardian consent.	5	
541.101(a)(2)	Controller Duties; Transparency	for purposes of protecting the confidentiality, integrity, and accessibility of personal data, shall establish, implement, and maintain reasonable administrative, technical, and physical data security practices that are appropriate to the volume and nature of the personal data at issue.	Functional	subset of	Data Privacy Program	PRI-01	Mechanisms exist to facilitate the implementation and operation of data protection controls throughout the data lifecycle to ensure all forms of Personal Data (PD) are processed lawfully, fairly and transparently.	10	
541.101(b)	Controller Duties; Transparency	A controller may not:	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.101(b)(1)	Controller Duties; Transparency	except as otherwise provided by this chapter, process personal data for a purpose that is neither reasonably necessary to nor compatible with the disclosed purpose for which the personal data is processed, as disclosed to the consumer, unless the controller obtains the consumer's consent;	Functional	intersects with	Purpose Specification	PRI-02.1	Mechanisms exist to ensure the data privacy notice identifies the purpose(s) for which Personal Data (PD) is collected, received, processed, stored, transmitted, shared.	5	
541.101(b)(1)	Controller Duties;	except as otherwise provided by this chapter, process personal data for a purpose that is neither reasonably necessary to nor compatible with the disclosed purpose for which the personal data is processed, as disclosed to the consumer, unless the controller obtains the consumer's consent;	Functional	intersects with	Restrict Collection To Identified Purpose	PRI-04	Mechanisms exist to minimize the collection of Personal Data (PD) to only what is adequate, relevant and limited to the purposes identified in the data privacy notice, including protections against collecting PD from minors without appropriate parental or legal guardian consent.	5	
541.101(b)(2)		process personal data in violation of state and federal laws that prohibit unlawful discrimination against consumers;	Functional	subset of	Statutory, Regulatory & Contractual Compliance	CPL-01	Mechanisms exist to facilitate the identification and implementation of relevant statutory, regulatory and contractual controls.	10	
541.101(b)(2)	Controller Duties; Transparency	process personal data in violation of state and federal laws that prohibit unlawful discrimination against consumers;	Functional	subset of	Data Privacy Program	PRI-01	Mechanisms exist to facilitate the implementation and operation of data protection controls throughout the data lifecycle to ensure all forms of Personal Data (PD) are processed lawfully, fairly and transparently.	10	
541.101(b)(3)	Controller Duties; Transparency	discriminate against a consumer for exercising any of the consumer rights contained in this chapter, including by denying goods or services, charging different prices or rates for goods or services, or providing a different level of quality of goods or services to the consumer; or	Functional	intersects with	Product or Service Delivery Restrictions	PRI-03.5	Mechanisms exist to prevent discrimination against a data subject for exercising their legal rights pertaining to modifying or revoking consent, including prohibiting: (1) Refusing products and/or services; (2) Charging different rates for goods and/or services; and (3) Providing different levels of quality.	5	
541.101(b)(4)	Controller Duties; Transparency	process the sensitive data of a consumer without obtaining the consumer's consent, or, in the case of processing the sensitive data of a known child, without processing that data in accordance with the Children's Online Privacy Protection Act of 1998 (15 U.S.C. Section 6501 et seq.).	Functional	intersects with	Choice & Consent	PRI-03	Mechanisms exist to enable data subjects to authorize the collection, processing, storage, sharing, updating and disposal of their Personal Data (PD), where prior to collection the data subject is provided with: (1) Plain language to illustrate the potential data privacy risks of the authorization; (2) A means for users to decline the authorization; and (3) All necessary choice and consent-related criteria required by applicable statutory, regulatory and contractual obligations.	5	
541.101(b)(4)	Controller Duties;	process the sensitive data of a consumer without obtaining the consumer's consent, or, in the case of processing the sensitive data of a known child, without processing that data in accordance with the Children's Online Privacy Protection Act of 1998 (15 U.S.C. Section 6501 et seq.).	Functional	intersects with	Prohibition of Selling, Processing and/or Sharing Personal Data (PD)	PRI-03.3	Mechanisms exist to prevent the sale, processing and/or sharing of Personal Data (PD) when: (1) Instructed by the data subject; or (2) The data subject is a minor, where selling and/or sharing PD is legally prohibited.	5	
541.101(c)	Controller Duties; Transparency	Subsection (b)(3) may not be construed to require a controller to provide a product or service that requires the personal data of a consumer that the controller does not collect or maintain or to prohibit a controller from offering a different price, rate, level, quality, or selection of goods or services to a consumer, including offering goods or services for no fee, if the consumer has exercised the consumer's right to opt out under Section 541.051 or the offer is related to a consumer's voluntary participation in a bona fide loyalty, rewards, premium features, discounts, or club card program.	Functional	intersects with	Product or Service Delivery Restrictions	PRI-03.5	Mechanisms exist to prevent discrimination against a data subject for exercising their legal rights pertaining to modifying or revoking consent, including prohibiting: (1) Refusing products and/or services; (2) Charging different rates for goods and/or services; and (3) Providing different levels of quality.	5	
541.102(a)	Privacy Notice	A controller shall provide consumers with a reasonably accessible and clear privacy notice that includes:	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.102(a)(1)	Privacy Notice	the categories of personal data processed by the controller, including, if applicable, any sensitive data processed by the controller;	Functional	intersects with	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.102(a)(1)	Privacy Notice	the categories of personal data processed by the controller, including, if applicable, any sensitive data processed by the controller;	Functional	intersects with	Personal Data Categories	PRI-05.7	Mechanisms exist to define and implement data handling and protection requirements for specific categories of sensitive Personal Data (PD).	5

541.102(a)(2)	Privacy Notice	the purpose for processing personal data;	Functional	intersects with	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.102(a)(2)	Privacy Notice	the purpose for processing personal data;	Functional	intersects with	Purpose Specification	PRI-02.1	Mechanisms exist to ensure the data privacy notice identifies the purpose(s) for which Personal Data (PD) is collected, received,	5	
541.102(a)(3)	Privacy Notice	how consumers may exercise their consumer rights under Subchapter B, including the process by which a consumer may appeal a controller's decision with regard to the consumer's request;	Functional	intersects with	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.102(a)(4)	Privacy Notice	if applicable, the categories of personal data that the controller shares with third parties;	Functional	intersects with	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.102(a)(5)	Privacy Notice	if applicable, the categories of third parties with whom the controller shares personal data; and	Functional	intersects with	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.102(a)(6)	Privacy Notice	a description of the methods required under Section 541.055 through which consumers can submit requests to exercise their consumer rights under this chapter.	Functional	intersects with	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.102(b)	Privacy Notice	If a controller engages in the sale of personal data that is sensitive data, the controller shall include the following notice: "NOTICE: We may sell your sensitive personal data." The notice must be posted in the same location and in the same manner as the privacy notice described by Subsection (a).	Functional	intersects with	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.103	Parties and Processing Data for Targeted	If a controller sells personal data to third parties or processes personal data for targeted advertising, the controller shall clearly and conspicuously disclose that process and the manner in which a consumer may exercise the right to opt out of that process.	Functional	intersects with	Data Privacy Notice	PRI-02	Mechanisms exist to: (1) Make data privacy notice(s) available to individuals upon first interacting with an organization and subsequently as necessary; (2) Ensure that data privacy notices are clear and easy-to-understand, expressing relevant information about how Personal Data (PD) is collected, received, processed, stored, transmitted, shared, updated and disposed; (3) Contain all necessary notice-related criteria required by applicable statutory, regulatory and contractual obligations. (4) Define the scope of PD processing activities, including the geographic locations and third-party recipients that process the PD within the scope of the data privacy notice; (5) Periodically, review and update the content of the privacy notice, as necessary; and (6) Retain prior versions of the privacy notice, in accordance with data retention requirements.	5	
541.104(a)	Duties of Processor	A processor shall adhere to the instructions of a controller and shall assist the controller in meeting or complying with the controller's duties or requirements under this chapter, including:	Functional	intersects with	Third-Party Contract Requirements	TPM-05	Mechanisms exist to require contractual requirements for cybersecurity & data privacy requirements with third-parties, reflecting the organization's needs to protect its systems, processes and data.	5	

FDE#	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF#	Secure Controls Framework (SCF) Control Description	Strength of Relationship	Notes (optional)
541.104(a)(1)	Duties of Processor	assisting the controller in responding to consumer rights requests submitted under Section 541.051 by using appropriate technical and organizational measures, as reasonably practicable, taking into account the nature of processing and the information available to the processor;	Functional	intersects with	Data Privacy Requirements for Contractors & Service Providers		Mechanisms exist to include data privacy requirements in contracts and other acquisition-related documents that establish data privacy roles and responsibilities for contractors and service providers.	(optional) 5	
541.104(a)(2)	Duties of Processor	assisting the controller with regard to complying with the requirement relating to the security of processing personal data and to the notification of a breach of security of the processor's system under Chapter 521, taking into account the nature of processing and the information available to the processor; and	Functional	intersects with	Data Privacy Requirements for Contractors & Service Providers		Mechanisms exist to include data privacy requirements in contracts and other acquisition-related documents that establish data privacy roles and responsibilities for contractors and service providers.	5	
541.104(a)(3)	Duties of Processor	providing necessary information to enable the controller to conduct and document data protection assessments under Section 541.105.	Functional	intersects with	Data Privacy Requirements for Contractors & Service Providers	PRI-07.1	Mechanisms exist to include data privacy requirements in contracts and other acquisition-related documents that establish data privacy roles and responsibilities for contractors and service providers.	5	
541.104(b)	Duties of Processor	A contract between a controller and a processor shall govern the processor's data processing procedures with respect to processing performed on behalf of the controller. The contract must include:	Functional	intersects with	Third-Party Contract Requirements	TPM-05	Mechanisms exist to require contractual requirements for cybersecurity & data privacy requirements with third-parties, reflecting the organization's needs to protect its systems, processes and data.	5

FDE#	FDE Name	Focal Document Element (FDE) Description	STRM Rationale	STRM Relationship	SCF Control	SCF#	Secure Controls Framework (SCF) Control Description	Strength of Relationship (optional)	Notes (optional)
541.203(a)	Disclosure of Personal Data to Third-Party Controller or Processor	A controller or processor that discloses personal data to a third-party controller or processor, in compliance with the requirements of this chapter, does not violate this chapter if the third-party controller or processor that receives and processes that personal data is in violation of this chapter, provided that, at the time of the data's disclosure, the disclosing controller or processor did not have actual knowledge that the recipient intended to commit a violation.	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.203(b)	Disclosure of Personal Data to Third-Party Controller or Processor	A third-party controller or processor receiving personal data from a controller or processor in compliance with the requirements of this chapter does not violate this chapter for the transgressions of the controller or processor from which the third-party controller or processor receives the personal data.	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.204(a)	Processing of Certain Personal Data by Controller or Other Person	Personal data processed by a controller under this subchapter may not be processed for any purpose other than a purpose listed in this subchapter unless otherwise allowed by this chapter. Personal data processed by a controller under this subchapter may be processed to the extent that the processing of the data is:	Functional	intersects with	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, updating and/or sharing Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
541.204(a)(1)	Processing of Certain Personal Data by Controller or Other Person	reasonably necessary and proportionate to the purposes listed in this subchapter; and	Functional	intersects with	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, updating and/or sharing Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
541.204(a)(2)	Processing of Certain Personal Data by Controller or Other Person	adequate, relevant, and limited to what is necessary in relation to the specific purposes listed in this subchapter.	Functional	intersects with	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, updating and/or sharing Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
541.204(b)	Processing of Certain Personal Data by Controller or Other	Personal data collected, used, or retained under Section 541.202(a) must, where applicable, take into account the nature and purpose of such collection, use, or retention. The personal data described by this subsection is subject to reasonable administrative, technical, and physical measures to protect the confidentiality, integrity, and accessibility of the personal data and to reduce reasonably foreseeable risks of harm to consumers relating to the collection, use, or retention of personal data.	Functional	intersects with	Usage Restrictions of Personal Data (PD)	PRI-05.4	Mechanisms exist to restrict collecting, receiving, processing, storing, transmitting, updating and/or sharing Personal Data (PD) to: (1) The purpose(s) originally collected, consistent with the data privacy notice(s); (2) What is authorized by the data subject, or authorized agent; and (3) What is consistent with applicable laws, regulations and contractual obligations.	5	
541.204(c)	•	A controller that processes personal data under an exemption in this subchapter bears the burden of demonstrating that the processing of the personal data qualifies for the exemption and complies with the requirements of Subsections (a) and (b).	Functional	subset of	Data Privacy Program	PRI-01	Mechanisms exist to facilitate the implementation and operation of data protection controls throughout the data lifecycle to ensure all forms of Personal Data (PD) are processed lawfully, fairly and transparently.	10	
541.204(d)	Processing of Certain Personal Data by Controller or Other Person	The processing of personal data by an entity for the purposes described by Section 541.201 does not solely make the entity a controller with respect to the processing of the data.	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
541.205	Local Preemption	This chapter supersedes and preempts any ordinance, resolution, rule, or other regulation adopted by a political subdivision regarding the processing of personal data by a controller or processor.	Functional	no relationship	N/A	N/A	No applicable SCF control	N/A	No requirements to map to.
